FROM THE GENERAL MANAGER

Blessings of the Season

I love everything about this time of year. Just the thought of the holiday season brings a smile to my face and evokes a sense of comfort and nostalgia. Recalling family gatherings and traditions warms my heart and fills my senses.

It's a time of reflection. I'm grateful for my own family as well as my co-op family. At Bluestem Electric, we're driven by a sense of mission and purpose. Our team feels a strong connection to our community and our members, because we live here too.

While many of community-focused programs and activities ramp up this time of year, we have several programs and services in place to help our members year-round. I'd like to remind you about some of these offerings in hopes you'll find them beneficial.

We hope you'll take advantage of SmartHub, an app that empowers you to monitor, manage and pay your

energy bill conveniently through your phone. Another service we offer is prepaid metering, which is intended to help budget your monthly energy costs. Bluestem members can pay for electricity before it's used, then use the electricity until the credit expires.

During the time period paid for, you'll receive regular feedback on your balance and an email will alert you when you balance is running low. Another service available is Outage Texting. Once a member is signed up for Outage Texting, they will be able to text their outage into the Bluestem After Hour Call Center to report a power outage. Once power is restored, a text will be sent to the member letting them know power has been restored in their area.

In addition to helping members save
